## Harvey Springfield releases a Celtic-Punk cover of Bob Dylan's "Dignity".

Harvey Springfield unveils his Celtic-Punk rendition of Bob Dylan's "Dignity" featuring an Irish drumming beat and an epic bagpipe melody which echoes Brendan O'Brien's organ arrangement for the unplugged live version.

This new cover will be launched as a digital single on Friday 7th September 2018 and will be available for download and streaming on Spotify, Amazon, iTunes, Google Music and all music digital stores.

The song is also included as a bonus track on Harvey Springfield's brand new album **The Calling**, his third album of original songs, which will be released on Friday 28th September 2018.

This is not the first time a Bob Dylan song is covered with a Celtic-Punk arrangement. Flogging Molly covered “The Times They Are a-Changin’” in 2012 for the multi-disc tribute compilation **Chimes of Freedom** to benefit Amnesty International.
